The State of Montana will be required to pay taxes, duties and levies on Sprint Products and Services, unless the State of Montana submits evidence to Sprint of exemption under State of Montana, Local or Federal Law or Regulations.

BSG0502-2007

Sprint reserves the right to adjust its regulatory rates and charges or impose additional regulatory rates and charges on the State of Montana in order to recover amounts it is required by governmental or quasi-governmental authorities to collect on behalf of or pay to others in support of statutory or regulatory programs. Examples of such programs include, but are not limited to, the Universal Service Fund, the Presubscribed Interexchange Carrier Charge, and compensation to payphone service providers for use of their payphones to access Sprint's service.

Annually, Sprint will review the status of the State's Account, any growth in the State's actual Service Usage, and the State's Services rates provided under this Agreement to determine if the State is eligible to receive a rate adjustment for these Services. To qualify for this review, the State must be in compliance with all contract terms and conditions. Sprint's review will be based only on aggregate rates and charges, and will include only the Services that the State has used substantially during the prior 12 months. Any rate adjustment that exceeds 5% of the State's existing aggregate Services rates may depend on the State's agreement to increase this contract's term. Sprint does not guarantee that it is the lowest-cost service provider for any individual Service or individual Service element.
